Welcome to Brooks' House of Bar-B-Q's Buffet!

- Included in the buffet is your served entrée along with our cold and hot stations, beverages (coffee, tea, soft drinks & iced tea) and assorted bakery items.
- Please only take what you are going to eat to be mindful of food waste. Doggie bags will be provided for only the entrée. The buffet stations are for while dining in only, not for taking home.
- The buffet is only for those that have purchased any of the selections to the left. Please no sharing.
- If returning to the buffet, please use a clean plate that can be found on the buffet stations.

The Buffet at Brooks' will consist of the protein station where your selection will be served. In addition, we will have serve yourself hot and cold stations as well as soft drinks, coffee, tea, iced tea, hot chocolate along with fruit, cookies, brownies and rice crispy treats!

Simply place your order with one of our cashier attendants. They will give you a poker chip that will designate the buffet selection you ordered and then the host or hostess will take you to your table. Once ready, you would give the poker chip to the protein station attendant and they will serve you your protein selection. From there you would help yourself to the other stations.
